

C.P.R. DOES NOT PLAN ENTERING NORTH COUNTRY

President Shaughnessy Says Company Has Too Many Other Large Undertakings to Be Concerned With Peace River Country Now—Automobile Tour of City After Two Years' Absence.

Sir Thomas Shaughnessy, president of the Canadian Pacific Railway, George Dury, general manager of western lines, D. C. Coleman, general superintendent of the Alberta division, and other officials of the big transcontinental arrived in the city this morning from Calgary and were driven around the city this forenoon in a couple of automobiles by Mr. E. Archibald, an old friend of Sir Thomas.

"Despatches from Calgary have given you about all the news that I know of just now," said Sir Thomas, when interviewed by the Capital on the arrival of the party from the north side on the private cars, Killarney, Manitoba and Lillooet.

"The C. P. R. has absolutely no present intention of extending its operations into the Peace River Country. It has too many interests and big projects in so many different sections of the dominion. That will be a question of the comparatively distant future," stated the president, when questioned on this point, which has aroused considerable speculation in Edmonton especially during recent months.

"We have no big construction projects in view, except those already announced. They are so large and important that they will take all our time and attention this year at least," he added. "The money situation? Why, it's always good with the Canadian Pacific."

This is Sir Thomas' first visit to Edmonton since two years ago, and the first since the high level bridge, north side depot and Jasper avenue east of city building were completed.

Although long, as usual, reading telegrams from officials and directors of the enormous transportation system, the C. P. R. president was jovial and glad to express his views to the press. He stated that his road had no plans for a hotel in Edmonton, adding that the Chateau Macdonald would furnish first class accommodation for some time to come and it was not the policy of his company to be too aggressive in competition with "its neighbors."

WILSON AND HUERTA ACCEPT OFFER MADE BY SOUTH AMERICANS

Brazil, Argentina, and Chili Induce Both the United States and Mexico to Begin An Attempt to End the Difficulties Between the Two Countries and Establish Peace.

London, April 27.—There was a smart recovery on the London stock exchange today, when news came from the news that Provisional President Huerta had accepted the proffered mediation offered by Brazil, Argentina, and Chili. Mexican railway shares rose three to five points, while American were from one to two and Canadian Pacific four points higher. Content favorites also improved, but British securities were depressed by the clouded state of conditions in Ulster. A reaction occurred in Mexican rails at noon, when they fell a point on realising.

Wilson Announces Acceptance. Washington, April 27.—President Wilson announced he has accepted an offer from Brazil, Argentina and Chili to use their good offices in an attempt to bring about a peaceful and friendly settlement of the difficulty between the United States and Mexico.

The offer was formally submitted by the three South American envoys to Secretary Bryan and laid before the president.

Spanish Ambassador Riano announces that he has received private advice from Mexico City stating that General Huerta had accepted the offer of Argentina, Brazil and Chili to use their good offices to bring about an amicable settlement of the difficulty.

PANAMA AND THE CANAL

PRESENTED BY THE
EDMONTON CAPITAL
AS EXPLAINED BELOW

See the Great Canal in Picture and Prose

Read How You May Have It Almost Free

Out out the above coupon, and present it at this office with the expense amount herein set opposite the style selected, (which covers the items of the cost of packing, express from the factory, checking, clerk hire and other necessary EXPENSE Items), and receive your choice of these books:

Panama and the Canal
This beautiful big volume is written by Willis J. Abbot, a writer of international renown, and is the acknowledged standard reference work of the great Canal Zone. It is a splendid large book of almost 500 pages, 9x12 inches in size; printed from new type, large and clear, on special paper bound in tropical red velvet cloth; title stamped in gold, with inlaid color panel; contains more than 600 magnificent illustrations, including beautiful pages reproduced from water color studies in color. Call and see this beautiful book that would sell for \$4 under usual conditions, but which is presented to our readers for SIX of the above Certificates of consecutive dates, and only the \$1.20
(Sent by Mail, Postage Paid, for \$1.60 and 6 Certificates)

PANAMA and the CANAL
Regular Octavo size; text matter practically the same as the 14 volume; bound in blue velvet cloth; contains over 1000 photographs and illustrations, and the color plates are omitted. This book would sell at \$2 under usual conditions, but which is presented to our readers for SIX of the above certificates of consecutive dates and only the \$2.00
(Sent by Mail, Postage Paid, for 70 Cents and 6 Certificates)

FRENCH AMBASSADOR
TO RETAIN POST.

Ambassador Jules Jusserand

Washington, April 27.—Reports to the effect that he was to be transferred from Washington to London has been formally denied by M. Jules Jusserand, French Ambassador to the United States. I do not anticipate leaving Washington officially for some time to come, he said.

The Constitutional camp, with Villa on one side and Carranza on the other, intensifies the fear that the revolutionists will, there will be immediate friction, probably followed by a civil war. Carranza, who has been made president, would be confronted by a counter revolution within a fortnight after assuming control. Possibly this revolution would be led by Villa himself.

Vera Cruz, April 27.—Vera Cruz is under martial law. Rear Admiral Fletcher, commanding the American naval forces on shore, yesterday issued a proclamation to this effect, and the last opportunity Mexicans had for handling their own affairs in Vera Cruz under their own laws disappeared. Admiral Fletcher and his staff determined that there should be no more nibbling with the Mexican officials regarding forms of government, and until further notice, the residents of this port will live and be judged by military law.

A demand has been made on the German legation in Mexico City to surrender the arms imported for the protection of the German residents there, according to information reaching here. Admiral Von Hintze, the German minister, replied: "If you get the arms you will have to fight for them."

The Mexican federal officer who had come to demand the arms then retired with the 200 men he had brought with him to enforce the demand. Circulars enumerating American business houses are being distributed through the streets of Mexico City. Hand bills call on the populace to destroy the concerns listed.

Some of the American stores whose names appeared in the circular already have been looted.

El Paso, April 27.—Robert Pezquita, Carranza's confidential agent here, said yesterday that his chief had issued a public statement to make on the Argentina-Brazil-Chili proffer of mediation.

"You may state," he said, "that the offer is a hopeful sign and that any provision that looks toward peace is acceptable to the Constitutionalists. It is acceptance by the Washington Government in any event will go far to cement pan-American relations."

Tampico Situation Serious. Galveston, April 27.—The Tampico situation has continued so serious, according to a wireless message reaching here, that two torpedo boats were sent up the Panuco river from Tampico to get Americans. Refugees arriving here from Tampico said they were saved from being taken to the collier. Clergymen, which arrived Saturday afternoon.

GERMAN BUSINESS MEN PLAN VISIT TO CANADA NEXT YEAR

Ottawa, April 27.—The minister of trade and commerce has received communications from Leipzig informing him that it is proposed to organize a German business men's trip to Canada in the year 1915, spending some five or six weeks in visiting different parts of Canada.

The minister is informed that great interest is being taken by men prominent in financial and social circles in the intended visit. There seems little doubt at present that it will be a very representative and important party of exploration.

Schools of Musketry. Ottawa, April 27.—It was announced in Militia orders that three weeks courses of the Canadian school of musketry will be held at Camp Borden beginning May 18 and July 20. A similar course will open at Calgary on July 27.

TRADE SPHERE IS EXTENDED INTO ALBERTA, CLAIMED

Vancouver Merchants Expect Get Large Part Peace River Business.

WATER HAUL OVERCOME GREAT DISADVANTAGE

Will Carry War Into Africa via P.G.E. and Canadian Northern.

Vancouver, April 27.—Believing that the Peace River extension of the Pacific Great Eastern is to meet the Edmonton, Dunvegan and British Columbia railway at the provincial boundary line in the Peace River district, there providing a new connection with Edmonton and northern Alberta, Vancouver merchants expect to extend their sphere of trade into Alberta and even competing with Edmonton. In what might be considered the latter city's home territory.

The statement that the Edmonton, Dunvegan and British Columbia line will meet the Pacific Great Eastern extension at a point on the boundary line a short distance south of the Peace river is regarded here as of prime importance to all manufacturers, wholesalers and jobbers of Vancouver and district. Although the Alberta line into the Peace River district is not to be finished till 1915 and the P. G. E. extension will probably not see the light until towards the end of the following year, it is considered here that Vancouver has an excellent chance eventually of actually carrying the trade competition into the enemy's camp, so to speak.

It is claimed that goods in the first instance can be landed here after a water haul, probably via Panama, cheaper than Edmonton can get them on a long rail haul from the east. The Vancouver interests will, according to this reasoning, be able to pay for the rail haul up the Pacific Great Eastern and still get into Alberta cheaper via the Edmonton, Dunvegan and British Columbia line as cheaply as can the merchants of the Alberta capital. From this city in the boundary line in the Peace River block where the P. G. E. is to meet the Alberta line, it is 410 miles, comprising 480 miles to Port George and 220 miles from that point on the Grand Trunk Pacific to the meeting place with the Alberta line.

This is practically twice the distance from Edmonton to the same point, but it is thought that the expense of the longer haul can be overcome by reason of the cheaper rates into Vancouver by water so that manufacturers here claim that eventually they will even be able to capture possibly 100 miles of Peace River territory in Alberta and get into the rich Grand Prairie section along the Smoky river. This is regarded as one of the most portions of the Peace River valley.

"We will be under a slight handicap at the start," said one of the merchants, "but the Alberta road will be in the Peace River district and will touch the boundary line a year before the line does so," commented a merchant this morning. "But as the P. G. E. extension can be rushed as the men and machinery are ready at Port George the delay should not be great. As soon as the Pacific Great Eastern extension is finished I believe that the advantage held by this city as a distributing point will be felt at once. Not only will we be able to ship a considerable distance east of Port George on the Grand Trunk Pacific and probably best Vancouver interests as well on the other side of the boundary line, but we will be able to obtain a large portion of the great 100 odd mile link from Port George north, northeast and then southeast to Edmonton, which is formed by the two extensions to the Peace River district, one being the P. G. E. and the other the Dunvegan road."

As a matter of fact, even if it could not get into Alberta on the main line of the Grand Trunk Pacific via Port George, we could probably do so on the Canadian Northern via Tele. June Cache, which furnishes Vancouver with a somewhat shorter route to the district immediately west of Edmonton. The possibilities of this particular district, however, from a trade point of view, have no connection with the trade future of the Peace River valley, but rather with the future of the other transcontinental.

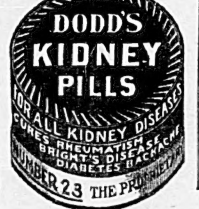

OWNERS' ASSOCIATION FAVOR ESTABLISHMENT STOCK YARDS IN CITY

The executive of the Edmonton Property Owners association has passed the following resolution. The association believes that the best interests of the city and the country tributary to it would be advanced by the establishment of stock yards in this city.

New Act in Force. Ottawa, April 27.—A proclamation has been issued by the government bringing into force the new Juvenile Delinquents Act, which was passed by the legislature on Saturday April 25. The legislation of Alberta having passed an act providing for the establishment of juvenile courts, a proclamation bringing the dominion act into force is necessary.

Philadelphia, April 27.—George F. Haer, president of the Philadelphia and Reading Railway and active in the management of many coal and iron transportation companies died at his home here yesterday. He was stricken on the way to his office and never recovered consciousness. He was seventy-two.

Orangeville, Ont., April 27.—From his transverse, caught in the shuffling while attempting to change a belt on an open air saw mill, Robert H. Harrison, 35 years old, a resident of this place, was whirled round the machinery and instantly killed Saturday. He leaves a widow and a child a year old.

CANADA IMPROVES
POSITION IN WHEAT
IN THE LAST YEAR

Ottawa, April 27.—C. F. Just, Canadian trade commissioner to Germany, in a report just received by the department of trade and commerce, says: "In wheat during 1913 Canada improved her position by 100,000 tons over 1912 and by no less than 2,000,000 tons over 1911. Although it was freely stated last year that Canada's exports of wheat had passed the mark of 1,000,000 tons, it is obvious that these anticipations have been fulfilled in the event, the fact being that the German milling trade is now so impressed with the value of Canadian hard wheat for their purposes that they can be trusted to buy largely under any circumstances and with Germany's requirements in breadstuffs growing to the district immediately west of Edmonton. The possibilities of this particular district, however, from a trade point of view, have no connection with the trade future of the Peace River valley, but rather with the future of the other transcontinental."

Practically Unanimous in Declaring Their Willingness to Put Down What They Call a Rebellion—Sir Edward Carson Says: "We Are Getting Nearer to the Crisis."

Belfast, April 27.—The armistice of the Ulsterites has had a peculiar effect in decreasing the likelihood of collision between the regular soldiers and the volunteers. Of the many privates quietly interviewed at Carragh and New Bridge today only one talked of firing over the volunteers' heads. "If told to fire I will obey, but without intent to kill," he said. On the other hand, a Suffolk private said: "We disliked the idea of attacking the Ulsterists, because we know how many we will go against them with a good heart if necessary."

An artilleryman said: "Their real weakness is lack of field guns. Some of our carry mules, each shell holding three or four shot."

The men are practically unanimous in declaring their willingness to put down what they say is a rebellion. "Premier Asquith is expected to make a statement in the house this afternoon. The press admits the gravity of the situation in the editorial comments this morning."

Sir Edward Carson, who left Belfast Saturday, states the details of Saturday's day were entirely in the hands of the Ulster organization. "We have not deviated one iota from the policy laid down two and a half years ago," he said. "The guns have been coming in for a long time, but Saturday's measures were necessary on a larger scale, because we were getting nearer to the crisis."

Baptists Cause Drinking. London, April 27.—That he was driven to drink by the wailing sound of the bagpipes played by a Scotch band accompanying the Britons who were in convention here on Friday was the excuse given by Alpin MacGregor, a Scotchman who appeared in police court on a charge of being drunk yesterday. The novel plea won him a hit release.

REGULAR SOLDIERS
NOW WILL SHOOT AT
ULSTER VOLUNTEERS

CHURCHES MUST AGREE ON FORM OF INSTRUCTION

Religious Teaching in Public
Schools is Again
Discussed.

**PRESBYTERIANS URGE
MORALS AND ETHICS**
Plan of Co-operation Suggest-
ed by Edmonton Ministerial
Association.

The disputed question of religious education in the public schools was one of the principal questions discussed by the Alberta Synod of the Presbyterian church at its meetings in Calgary last week. Under the present school regulations half an hour per week is allowed for religious instruction, if the local school board desires to include it in the curriculum. Up to the present not much use has been made of this provision, the difficulty having been to get some form of religious instruction which would be acceptable to all denominations. A resolution submitted at the Synod in Calgary last week from the Edmonton Ministerial Association, and adopted by the Synod urged the desirability of co-operation, which might result in the half hour allowed for religious instruction being employed in this manner. The ministers of this city have proposed a plan by which the schools of the city be divided up, each school to form two classes during the half hour for religious instruction and that for the 14 large public schools 28 voluntary religious instructors give the teaching, in history and truths of the bible, and practical talks on morals, manners and ethics. It is not desired that any creed should be taught.

Professor Dyke, of Edmonton, laid the resolution before the Synod, urging that truthfulness, modesty, cleanliness and moral living should be taught in the public schools. Moral instruction was essential for the child and made for better men and women. He did not think that the examination on bible studies should be made imperative.

Some time ago a deputation waited upon the provincial government, with regard to religious teaching in the schools and were informed at that time that the government were quite willing that religious instruction should be given, providing the religious denominations would get together and agree upon some form. An effort was made to this end and it was then found that the Anglicans desired instruction in the lines of some definite faith, while the Baptists, believing in the absolute separation of church and state wanted none, and the Methodists and Presbyterians were in favor of the Lord's Prayer, Ten Commandments and the Apostles' Creed being printed and hung in each school, without any oral teaching.

It is probable that a renewed attempt will now be made following the resolution of the Presbyterian Synod to get the religious people of the city together to agree upon the form which religious instruction shall take. The resolution of the Synod does not propose that any definite religious teaching shall be given, but only instruction in morals, and ethics. Whether this will be suitable to the other denominations remains to be seen. Up to now the Anglicans have stood out for definite religious teaching declaring that morals could not be properly taught apart from religion.

CHURCH PARADES ORDER OF THE DAY

Seven Hundred Oddfellows At-
tend Service at City
Churches.

Several church parades were held in the city yesterday. The Oddfellows of the city held their annual church parade in the afternoon, to the First Presbyterian church on the North Side, and to Knox church on the south side. Between six and seven hundred Oddfellows turned out. In the morning the Nineteenth Dragons, under Major Griesthach and headed by the band of the 101st regiment attended service at All Saints. Robertson church was attended in the morning by the boys' scouts of the city.

Headed by the military band of the 101st regiment, between five and six hundred members of the Order of Oddfellows marched from the market square to and from the First Presbyterian church on Fifth street. At the church the service was conducted by Brother W. A. Smith, and other members of the order. David Jones, A. Wetmore, H. Heath and C. Chubb rendered excellent music, assisted by the usual brilliant accompaniment of Major Harry Watts. The parade formed at the market square shortly before 4 o'clock and proceeded to the church led by the Marshal, Chevalier E. A. Cummings, mounted on a splendid bay. Rev. Brother W. A. Smith, in his opening remarks, stated that the annual service of this society was a revival of faith and well worthy of the ruling principles—Friendship, Love and Truth. The speaker dealt with truth at considerable length and pointed out the absolute necessity of truth in the social relations of life. Only by persistent following of truth could the laws of the country be sustained. Political corruption could not be eliminated unless the nation insisted religious truth into lives of its people. Rev. McLaughlin preached to over 144 members of Lodge 9, I.O.O.F., in Knox church, south side, at 4 o'clock yesterday afternoon.

Here is Another Sale of Women's Raincoats

The lot consists of fifty coats and if the demand will be anything like that we experienced at the last sale, these coats will not last through the day. We therefore urge that you come as early in the day as convenient. They are made of rubberized tweeds, in brown, green and grey, and of double texture Paramatta, both set-in sleeve and raglan styles. MILADY'S PAGE

Conducted by Mrs. Taylor.

FASHIONS AND FANCIES

THE GAY WORLD.

His Honor Lieutenant Governor Huxley was a Calgary visitor last Saturday.

Mrs. Harvie and son, Allan, are leaving to spend the summer in England. Chief Justice Harvie will join them later.

The ladies' aid of the Royal Alexandra hospital are planning to hold a tea at home in the new nurses' home which has just been completed, and furnished ready for occupancy, on Saturday, May 9, 1914, from four to six.

Mrs. Hadigan of Newwood, who was to take her duties today as L.T.L. lecturer in the Edmonton schools, will be unable to do so on account of her young daughter being ill of pneumonia in the hospital.

Mr. and Mrs. W. J. Melrose have as house guest Bishop Lucas of the MacKenzie River diocese, who is leaving this week for his station at Fort Chipewyan.

Mrs. R. Chalmers has issued invitations for a military ball tomorrow, Tuesday evening.

KNIGHT TEMPLARS BALL EMPIRE AUDITORIUM MAY 1ST, 1914

CUPID'S KNOTS

An interesting marriage took place in All Saints church Saturday evening at 7 p.m. when Miss Beale Wooster, daughter of Mr. F. S. MacPherson, 5 Carey street, on Tuesday afternoon from three to six, all women of the church, especially strangers, will be welcome.

Mrs. E. C. Emery was hostess at a large bridge-tee at the Blue Moon tea rooms on Friday afternoon.

Under the auspices of the W.C.T.U. the Edmonton United Franchise League will hold a public meeting in the Newwood Methodist church next Friday evening, May 1, beginning at 8 p.m. Rev. Smith, pastor of the church, will preside.

Mrs. Justus Wilson is a tea hour hostess tomorrow in compliment to Miss Fitzmaurice.

May 1 has been decided on as "Clean Up Day" by the Edmonton Industries Association.

Miss Ella Taylor entertained at a delightful little tea Saturday afternoon in compliment to Miss Agnes Robertson, the bride-elect. Miss Taylor was assisted in welcoming and entertaining her guests by her mother Mrs. E. J. Taylor and sister Louie. Mrs. Taylor presided over the tea at a table where pink and white were the prevailing color scheme. A large shower of pink and white carnations, and roses of various shades were the prettiest of centerpieces. The refreshments were in heart shapes, and also pink and white.

Besides the guest of honor those present were Mrs. Ralph Bellamy, Mrs. Donald Carter, Mrs. Donald Ross, Mrs. Callender, Mrs. James Ross, Mrs. Graham, Mrs. Broad, Miss Pansy Kemp, Miss Ruby Deas, Miss Nona McIntosh, and the Misses Blanche and Gertrude Weir.

The quarterly meeting of the Methodist W. M. S. will be held in the school room of the Metropolitan Church, south side on Thursday afternoon, beginning at three o'clock. Mrs. W. W. Chown, Provincial president, will preside. The annual report of the local ladies' auxiliaries, mission hands and circles in the city will be read.

There will be a Fancy Dress and masquerade ball given on Thursday evening, May 7, at the home of the auspices of the Blue Moon Tea room.

District W.C.T.U. Convention. A district W.C.T.U. convention will be held in Vegreville next week, Tuesday and Wednesday, May 5 and 6, which will be attended by ten delegates from the Edmonton Central Union, and several from the Strathcona branch.

Mrs. C. B. Heals, president Central Union of Edmonton, Mrs. W. E. Nobles, Mrs. Patisio, Mrs. Robert Palmer, Mrs. Wm. Fowler, Mrs. John Gainer, Mrs. Tuttle and Mrs. Way are among the delegates who will attend. Silver medallions to the L.T.L. will go with the delegation to compete for the gold medal at the Vegreville convention. Little Miss Water and Chester Cutler from the north side, and Miss Little Sangster and Willie Marks of the south side are the young silver medallion chosen to uphold the honor of Edmonton in the contest.

Temperance Meeting Tonight. The Alberta Temperance and Moral Reform league will hold a meeting in Knox Presbyterian church, south side, tonight at 8 o'clock. Rev. Dr. J. M. Fulton of Calgary will be the speaker. All congregations of all denominations in the south side are invited to units. In making this meeting a success. A collection will be taken to help along the funds of the league.

Galway, Ireland, is to have a railway backed by a company capitalized at \$15,000,000.

Children Cry FOR FLETCHER'S CASTORIA

A splendid temperance exhibit is now on display on Jasper avenue, two doors west of the old Presbyterian church, where can be seen models, charts, diagrams and abundance of temperance literature. Everyone is invited. The exhibit is at 240 Jasper street.

The Edmonton Lodge of the Theosophical Society will hold its usual weekly meeting at the house of W. Gentile, 111 Harvey street 10521 84th tomorrow evening at 8 p.m. All friends and members cordially invited. Take Highlands car.

MARSHALL P. WILDER.

He will be at the Empire theater the first half of this week as one of the features of the Orpheum vaudeville bill.

Theatres and Picture Shows

DROLL COMEDIAN, EDDIE FOY, AT THE EMPIRE FIRST HALF OF WEEK

That droll comedian, Eddie Foy, comes to the Empire theater the first half of this week as the headliner of the Orpheum vaudeville bill. Mr. Foy's methods have found general acceptance among those who seek the theater on pleasure bent for many years, past, even to the last generation, and he is not yet. He is now appearing in vaudeville, and is likely to end his stage career catering to the young people of the present day with as much hilarity and oddities of speech and manner as made their parents laugh in driving care to the four winds.

Another attraction on the same bill is Marshall P. Wilder, whose monologue is admittedly one of the most welcome offerings now in vaudeville. He has a plentiful supply of wit, but it is garnished with genial humor, and on this occasion he has the aid of motion pictures to make his turn doubly interesting.

And there is Harry B. Lester, another monologist who excels in verbal imitations, mainly through verbal changes in voice and facial make-up. The Kramers, three experts on the Roman ring, give an exhibition that is one of the best of its kind in vaudeville, while the Kelli Duo contributes several excellent selections on the organ accompaniment.

Harry Paul and Hazel Boyne act a courtship scene in most becoming fashion, while the Belleaire Brothers introduce several feats of strength that never fail to cause favorable comment wherever they appear.

PLAY OF RARE APPEAL IS "LENA RIVERS" AT LYCEUM THIS WEEK

In the eyes of millions of readers of American fiction there are three universal favorites whose works will probably live forever. The trio is composed of Bertha M. Clay, Mrs. E. D. Lyne, and Mary J. Holmes, all of whom have written during their literary careers something over 200 novels and novelettes, some of which have reached the 250,000 sale mark, and have made their publishers extremely wealthy.

One of the best sellers of the entire output of these three writers was and still is "Lena Rivers," by Mary J. Holmes, the dramatized version of which will be seen at the Lyceum theater this week, with the members of the excellent Lyceum stock company in the numerous roles. "Lena Rivers" is one of the few novels of modern times that has attained a sale mark of 1,000,000 copies and there appears to be no reason for believing that its popularity will not continue.

In dramatizing the novel the author has retained all of the best parts and eliminated all superfluous material so that the play of rare appeal is one of the best of its kind in the Lyceum. The usual Wednesday and Saturday matinees will be played at the Lyceum.

MERRY FEATURE AT THE PANTAGES FOR THIS WEEK

"The Merry Masqueraders" is the name applied to the headline number on Pantages program for this week. That it will be merry there is little doubt. It was built for the purpose of making those who listened to the chief funmakers, Nate Cole and Frank Davis, laugh, laugh loud and long, and in addition to these comedians there has been selected a chorus of sprightly young women who will sing and dance their way into the favor of the patrons of the house. Nonsense reigns supreme during the time the piece occupies, nonsense of a clean and wholesome nature interspersed with tuneful melodies and cleverly conceived dancing turns.

Daisy Harcourt the irrepressible English music hall comedienne is also slated to appear in a series of gowns of the latest creations and with a selection of witty songs which will doubtless please her hearers.

A farcical sketch, entitled "That Girl" will be offered by Max Erwood and her company. It deals with a wise, fresh, young blood from the city who tries to out talk a simple and demure country girl but in the conflict gets something out of the worst of it.

Salt Bush Hall an expert adept with the long whips which are used for handling cattle on the plains will open the bill with a routine of daring tricks performed by the aid of the afore said whips, while Davis a witty monologist completes the program.

"TANGO AND TROUBLE" AT THE BIJOU THEATRE TODAY AND TOMORROW

Again the Tango will be seen in motion pictures in the city but this time in a little different form than usually shown for the very funny Keystone players have produced a screamingly funny burlesque on this greatly popular dance with Mable Normand in the leading role, the picture being entitled "Tango and Trouble."

The Bijou theater will exhibit this film together with a number of other pictures, including subjects for its program of today and tomorrow. "The Path of Genius" is the feature attraction and is destined to be an artistic triumph in the film line. It touches upon a theme of utmost beauty and interest with a well constructed plot of high sustaining interest. Thomas H. Ince and William H. Clifford two of the best known and most successful scenario authors wrote up the story and it is presented by one of the most carefully selected casts of The Mutual Film corporation's playing companies of film artists.

Sydney Ayres and Vivian Rich, two players whose brilliant work still remains fresh in the memory of the Edmonton picture lovers will be seen in the film, "A Story of Little Italy," a photo-drama of the slums and foot hills—this too will be seen on the Bijou screen today and Tuesday.

The program appears not only to contain variety but a set of pictures of highest refinement and charm containing actors and actresses of high rank will be seen in them.

INTERESTING AND STRONG STORY TOLD IN PICTURE AT EMPRESS THEATRE

A story touching upon the life and regeneration of an ex-convict, "The Masquerader" comes to the Empress theater for today and tomorrow. Mr. Carlisle Blackwell the star of the local producers plays the title role and the part gives him a wonderful opportunity for magnificent work. The subject makes a good basis for an interesting and strong story.

"Dollars-Pounds-Sense" is a screamingly funny comedy put on by the Empress photo players. It will be exhibited on this same program.

For sweet pathetic appeal, however, the picture that shines with "The Masquerader" as the attraction on the program and called "A Doll for the Baby" is deserving of notice.

A pretty story of the devotion of a bunch of cowboys to the rancher's baby daughter is told. The rancher and his wife forget to bring home a doll for the baby, who they find sick when they return from town. The child is heartbroken at not having the doll, the baby's life is saved and the cowboys feel amply rewarded by her smiles of happiness and pleasure. This program will be exhibited for today and tomorrow only.

GRAND CONCERT BY CITIZENS' BAND AT BIJOU LAST NIGHT

The Citizens' Band concluded its engagement at the Bijou theater last night with a really first-class concert. The program went with the snap the Citizens' band know how to put into their playing. Miss Helen Weston, again sang and she seems to get more popular with the public every time she appears on the platform, and deservedly so.

Next Sunday evening the band will give a series of concerts at the Empress theater.

SPORTS

Edited by Cliff Dunham

"Opening Day," May 4th Take a Chair With You!

With the opening of the Western Canada league just one week away and all this talk of a bumper Opening Day and a 10,000 crowd, WHERE ARE WE GOING TO SEAT THESE 10,000 "FANS?" The present seating capacity at Diamond Park cannot be over 2,500, if it's that, so where are the other 7,500 going to sit?

Now's the time to think about this—not on May 4 when these thousands begin to stream down the old McDougall hill toward the ball ground. Something should be done this week in the way of arranging more grand-stand and bleacher accommodation.

Additional grand-stand accommodation might be had by building an addition on the east end of the present one, and the building of a roof over the present bleachers would be a good idea, and additional bleachers to the west of the present ones.

This is going to be Edmonton's banner year in baseball. The Eskimos will be stronger than ever before, and the Western Canada league in general will be playing better ball than formerly. The attendance at all games here will be far in advance of any previous year, so it is up to the club and those directly interested to get busy and be able to accommodate the thousands of loyal fans of Edmonton who pay good coin to see the games at Diamond Park—MORE GRAND STAND—MORE BLEACHERS.

THE LEGAL SECTION OF THE big league baseball clubs are well ahead with their training and seem up to midwestern form. Their salary laws are working excellently.

DETROIT HAS TURNED OVER First Base to the Rochester club. He finished the season with Providence last year.

The Kansas City Feds have instituted suit for \$25,000 against Hamilton, of St. Louis, for jumping his contract. They have refused to accept the \$5,000 bonus he received when he was induced to leave the St. Louis club.

CONNIE MACK IS STOPPING at the same hotel where Dr. Friedman and his turtles once held forth, and that is given as the joke that has caused the Yankees to trim the Athletics twice. As an alibi, it has the virtue of originality in any event.

MANY A BASEBALL REPUTATION got a dent on opening day, but Walter Johnson and Ty Cobb merely added fresh laurels to themselves.

Sold by all first class dealers, cafes and clubs

EARLY CLOSING HARNESS EVENTS ENTRIES RE-OPEN

May 15th is Date Set for Entries to Big Race Meet at Exhibition

At a meeting of the race committee held on Saturday it was decided to re-open all the early-closing harness events, making the date of closing May 15, when the payment of 1 per cent will be required, with a second payment of 2 per cent on June 15th, when horses must be named.

The original date of closing entries was arranged for April 15, but through an error in some of the race programs, which are printed and issued from Calgary by the secretary of the Western Canada fair and racing circuit, this date was omitted. While altogether 120 entries were received for the nine events, evidence was submitted both from Calgary and Edmonton horsemen who had received these defective programs, that they and several other racing days to be May 15. The action taken by the race committee will be fair to everyone, as all entries received will be held as good for May 15, and registered letters were mailed to everyone to that effect. The secretary of the Western fair and racing circuit has also been requested to issue a circular to everyone receiving programs, notifying them of the change. The American Trotting association has also been notified of the circumstances in connection with the matter.

THE OLD COUNTRY FOOTBALL SEASON PRACTICALLY OVER

(Special to the Capital)
With but two games to be played in the first division and one of the southern teams, the football season of 1913-14 has closed. Black-burn Rovers win the flag in the first division with a record of 10 wins, 1 draw and 1 loss. Derby County are second and third respectively with 7 wins, 1 draw and 2 losses.

CON. JONES GETS EASY \$500.

Vancouver, April 27.—After waiting for nearly a year Con. Jones, president of the Vancouver Lacrosse Club, is once again in possession of close to \$500, which he declared forfeited by the B.C.L.A. last summer. Lacrosse enthusiasts will recall the grand bust up in professional lacrosse last summer when the Royals walked off the field at Hastings park, the subsequent meeting of the New Westminster club, which declared the \$500 posted by Vancouver early in the season forfeited and then the court actions.

FEATHERWEIGHT BATTLE TONIGHT.

Vancouver, April 27.—Charles Patton, former amateur champion of Canada, and Johnnie Moore, a colored boxer, will battle for the featherweight championship of Canada at Sapperton, a suburb of New Westminster, tonight. They work on the lacrosse field and sometimes adduced Westminster gatherings may be seen on the Salmon belly home this season, taking the place of Len Turnbull or Cliff Spring, now of Toronto.

KANLOOPS EASY PICKINGS FOR ESKIMOS; 8 TO 0

Whitewash Brush Applied by Noryck's Outfit to B.C. Misfits.

The Eskimos again engaged in deadly conflict with the Kanloops team on Saturday, and judging from all appearances this Kanloops outfit must be a bunch of misfits, or they never in the world would let the Edmonton Eskimos get away with an 8 to 0 victory and be left down with only one hit in the entire nine innings. No, they surely must be a bunch of misfits.

This is the second time the Edmonton Eskimos have handed that outfit a severe drubbing, so no doubt they're beginning to think they're some half team. That remains to be seen when they hit Bill Hurley's Quakers on Monday, May 4, at 4 p.m.

Russell who led the pitching Saturday for six innings, heaved them over high and low and never seemed troubled, and Stalup who finished the same slugged out one, that being a big juicy triple by Nelson, the Eskimo's catcher who was trying to make the Kanloops outfit look something like a real team. Stalup did the rest of the game for the Eskimos. Power lunged out a home run and a double. Redmond got two triples. Clancy caught by the Eskimos were the rule rather than the exception. Altogether the Eskimos made monkeys of the Kanloops bunch and may be expected to secure a win over the Revelstoke team they play tomorrow.

Our National Game

THE NATIONALS OF MONTREAL are bound to be as strong as they were last year, and with "Newsy" Lalonde as captain, and President Caron, who was in the city yesterday, can see nothing but a championship for his team.

AND THE FRENCHMAN SURE looks like the goods. They are strong in the defence and in the field, and what a great scoring division they will have can be judged by looking over their list.

"NEWSY" LALONDE, HOULAIN and other players are quartets that would make any defense take notice, and with "Dare-devil" Gaultier going around the center they are a very classy looking bunch.

THE TEAMS IN THE "BIG FOUR" were fairly even last year, and the boom in amateur lacrosse should help the professionals. Altogether it looks like a good season.

TORONTO WILL LIKELY SEE three teams in the senior O. A. L. A. and three in the intermediate this season, besides several junior and juvenile teams.

THE NEW S. BACHES TEAM Laidlaw and the Robert Simpson Company will fight it out in the intermediate, and if Mr. Ross, of the big store, ever starts in earnest he will make things decidedly interesting.

THE TUCUMSEHS, OF COURSE, always look weak at this time of year, but can generally be depended upon to dig up an aggregation to make the others hustle all the way.

JIMMIE DUNDAS' BIG LEAGUE, which is known as the Toronto Lacrosse League, will get down to business next week, and the "kilted stick artists" will be out to practice before the end of the month.

Baltimore is to have a revival by Evangelist Smith in 1914.

OXFORD RELAY TEAM WINS MOST THRILLING RACE, CLOSE MARGIN, AND SETS A NEW TRACK RECORD

Four-mile Event Saw Most Sensational Finish in Seventeen Years—Jackson Pushed to the Limit But Won by a "Head"—Time 18 Minutes, 5 Seconds—Twenty Thousand People Saw Race.

Philadelphia, April 27.—Oxford University of England won the four-mile college relay championship of America from the University of Pennsylvania Saturday afternoon in the most sensational finish ever seen in that event in the seventeen years the race has been run on the Franklin field. The English team had to fight all the way and won the remarkable race by a scant foot. The wonderful Jackson, Olympic 1,500 metre champion, the anchor man of the English team, was pushed to the limit of human endurance by McCurdy of Pennsylvania, the two mile intercollegiate champion, and fell into the arms of his supporters as he breasted the tape.

Broke Track Record. The race was run in a heavy rain storm, and the time, 18 minutes 5 seconds, broke the four mile record of the Penna relay. The American and world's record is held by Cornell, 17 minutes 55 seconds. The track was very heavy, and experts believed it to be about five seconds slow to the mile.

Won by a Nose. So close was the race between Jackson and McCurdy that it was several minutes before the spectators could learn who had won. The two men came into the home stretch shoulder to shoulder. Thirty yards from the tape McCurdy led by about a foot. Captain Jackson was the rule rather than the exception. When Jackson set the width of his shoulders in front of McCurdy, he was almost touching, with Jackson's feet in front. This was their position at the tape.

Crowd Got Excited. As the two men came down the stretch stride for stride, Penna supporters thought McCurdy would win and excited spectators rushed on to the track. But splendid work by policemen, who elbowed back the crowd, prevented interference with the runners. There was not the slightest ground for a protest, the referee said. As the two men finished, several thousand persons rushed on the track and surrounded the runners and officials and it was with difficulty that the winners could be learned.

After the race Referee Sullivan said: "It was the most wonderful finish I ever saw in a relay race in more than 25 years of athletics. Penna ran a great race against wonderful stars."

Aside from the showing made by McCurdy against the Olympic champion, the surprise of the race was the easy way in which Madira, of Penna, beat Taber of Oxford, in the third mile. It was fast work for both men all the way. Taber was unable to shake off Madira, who forged to the front and beat Taber in the mile by about ten yards. Madira's time was 4:22 1/2, the fastest of the four.

Jackson the Star. Jackson easily made up the distance Taber had lost, and he and McCurdy ran around the track together all through the first, second and third quarters, and into the last quarter, up to within an eighth of a mile of the finish, where both cut loose. Main was coming down heavily at the time, but the twenty thousand spectators did not appear to mind it and cheered frantically as the two champions came into the last 100 yards for their exciting finish. The time of this mile was 4:55, the slowest of the four, due to the fact that each man was saving himself for the final terrific drive home.

FRANK CHANCE IS GETTING much going very decently this spring, twice bumping the Champion Athlete. If he does not accomplish anything more he has done wonders for his outfit since last season. However, we will not count the Conna Macs out of the race for a few days yet.

CERTAINLY!
—the triple-plate crown of the MASSEY is far stronger than it needs to be.
But it's the policy in building MASSEY BICYCLES to incorporate such strength that a MASSEY will conquer any road. Some day, you're sure to encounter road conditions that tax the utmost strength of your wheel. That's the time you appreciate the MASSEY'S EXTRA STRENGTH.
